THE ASHEVILLE AVALANCHE

THE NEWSLETTER OF THE ASHEVILLE SKI CLUB

August 2018

President's Message

Greetings,

This month, it seems like we just wanted to party and party we did. Our monthly meeting was a social at The Wedge. Lots of stories and take out from 12 Bones were consumed. Great venue for Asheville Ski Club.

Instead of doing a 4th Tuesday social, we landed at Greg and Susan's house for a drum circle and enough food to feed a small army. Thanks guys for inviting us over to celebrate this special occasion.

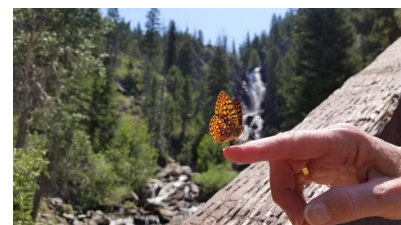

Personal note. Jacqueline and myself went on a summer vacation to Steamboat. if you've never been there in the summer, you gotta to go. We flew Southwest out of GSP to Denver and rented a car for the three hour trip. We were delayed and didn't arrive until late. We were passing over Rabbit Ears Pass about 3:30 am ET, so you know it had to be a long day. For grins and giggles and to wake up too, we stopped on top of Rabbit Ears Pass where the car outside temperature was warning us it was 32 degrees and the roads could be icy. lol This is July 1st.

One of our adventures was hiking to Fish Creek Falls. We hiked to the overlook one day and hiked to the bottom and beyond the next day. Jacqueline suggested we hike a "few feet" up the trail after passing a sign that said the trail was 2,000 feet up and a three mile hike, straight up. This was our sign, however she said, "Just a little further" and repeated, "just a little further" until finally, we made it to the top. Great view and a great time had by the two of us. Special thanks to Margaret for giving her condo up for a week to raise money for a worthy cause.

Regards,

Wayne Bailey

Newsletter Editor's Notes

As Wayne pointed out, our social in July was the great Luau bash at Greg and Susan's place. So much to eat and drink and so little time. See the full report later in this edition of the Asheville Avalanche.

I was impressed to see several new members at our regular monthly meeting held at the Wedge at Foundation. Your leaders make an effort to hold these meetings at interesting venues so you can have fun while catching up on all the ASC news and plans. Come on out to our meetings. As the suit guy says, "You'll be glad you did."

Tom Bushar, Luau Lunatic and Asheville Avalanche Editor

Speaking of news, yours truly will be leading another hike on Sunday August 12th. This time it is the Laurel Creek Trail, not far from Hot Springs. This is a pleasant jaunt along the creek right next to some active rapids. You often see kayakers taking them on. It joins the French Broad River at about 3-1/2 miles, where you can also see people tubing, canoeing and kayaking. At 7 miles total it is a long hike but with little elevation gain. If you haven't signed up yet do so soon.

Some Other Reminders

- We are looking for someone to be our Social Media Volunteer. Please contact Wayne Bailey or Ron Shulby if you want to put your hat in the ring.
- If you are a new member please try to get another member to take your picture at any ASC meeting and email it to me at tbushar@gmail.com or to Jim Baker at james_baker100@att.net. We try to feature new member names and pictures in the Avalanche so folks can get to know you.
- Find out what's going on throughout the skiing world by visiting the website: <http://skifederation.org> and scroll down to tab called Fed News Beat.
- If you have something that's "fit to print" in the Avalanche, you can email me directly at tbushar@gmail.com with your story and pictures. Your story does not need to be written in final form. I generally edit, elaborate and embellish as necessary to generate interest.

July Meeting held at The Wedge at Foundation

Our July 10th monthly meeting was held at the Wedge at Foundation, 5 Foundry Street, Asheville, NC. Some members came early and enjoyed dinner from nearby 12 Bones Smokehouse. Several new members attended the meeting.

As Jeff discussed upcoming trips and outings he had everyone's rapt attention...

Well, almost everyone.

New Members

Kim Purcell

Brett Haas

Gabrielle
Stobbe

Luanne Black

Other new members - Christine Lehmar from St. Louis Park, MN and Amy & Alan Pitt from Phoenix, AZ

August 14th meeting to be held at Asheville Outdoor Center

Our August 14th monthly meeting will be held at the Asheville Outdoor Center, 521 Amboy Road. The owner will give us a private showing of his art gallery.

This is a potluck so please bring a dish. The club will provide burgers & dogs. Adult beverages will be available for purchase.

So, tell us what you want--what you really, really want!

It's time to sign up for trips for the 2018-19 season and Asheville has got something for everyone. Don't delay. The Japan trip sold out in three days. You let us know that was a trip you wanted and then showed us by signing up right away. Other trips may fill almost as quickly and often it is impossible for us to get more rooms and air at the same low price. Delaying may put you in a different condo or hotel, paying a higher price.

Many other clubs are expanding to include adventure trips, cycling trips, SCUBA trips and more. Our bike and boat trips have sold out within days, which is typical for such trips. Jeff Kenrick is exploring the possibility of running an African safari trip, a trip which has been successfully run by other clubs. Trips to California's wine country are also popular. Some trips may only come around once so just go for it.

After all, it's more fun to travel with friends than to travel alone. Studies have shown that people with friends live longer and healthier lives, and people who travel keep their brains more alert fending off dementia.

So consider a trip a prescription for a healthy, happy life. Traveling is definitely more fun than watching tv at home. Memories are better than having more stuff - seriously, do we really need more storage facilities?

The trips committee is open to suggestions and we're currently planning our trips for 2020. Spain will be a great trip for everyone and we expect to take a large group for that one. We're wide open for other trip ideas.

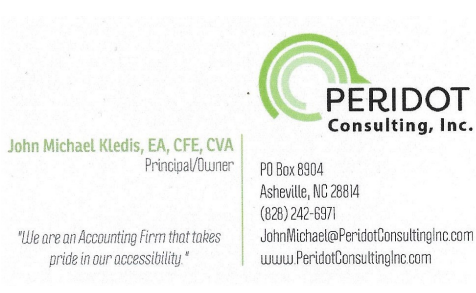

So, tell us what you want--what you really, really want!

ASC Mount Hood Race Camp

Follow up Report

The Second Annual Mt. Hood Summer Camp took place June 23 to July 8th. Thirty children ages 8 to 18 participated in this year's camp. Most of them came from North Carolina, with some participation from Virginia and New Hampshire children.

This year's coaches included Erika Alusic-Bingham of New Hampshire, Thea Young and Rich Campbell of Appalachian Mountain, and Sara Beeken of Beach Mountain, who also served as Camp Director.

Campers trained from 7am to 12pm five-six days a week at Timberline Lodge. In addition to their rigorous training, they enjoyed activities like rock climbing, mountain biking, hiking, paddle boarding, tubing and much more.

A special thank you to parent volunteers Stephanie Carson, Joe and Kelly Lackey, Julie and Ken Porter-Shirley, Anderson Horne, Gaylord Chambers, Jennifer Hollinger and Katarina Nelson for working tirelessly to make the camp happen.

The ASC-RDT Mt. Hood Summer Camp is a nonprofit camp supported by the Asheville Ski Club. The camp will take place again next year. Sign up information will be released this fall. Preference will be given to prior campers, as well as those who sign up before December 1st. The camp will fill up. Campers should have at least one year of alpine racing experience.

Email stephaniecarson123@gmail.com for more information.

Luau Party Report

Well folks, Surfer Dude, aka Greg Caspers, along with princess Kamana Wanna Lei Ya, aka Susan Slettedal threw a knockout PARTAY! Most of the really important ASC members were there, along with the great drum circle crew from downtown Asheville. You didn't need to be high, but it helped as the drums of all varieties set the beat, then morphed into another beat, then another and another until our heads all exploded!

The food was outrageous and we gorged ourselves and drank away in near bacchanalian fashion. Whoa, perhaps I got too carried away in my description, but it was a very fun party. Thanks to Greg and Susan and all who attended and brought dishes.

ALOHA!!!

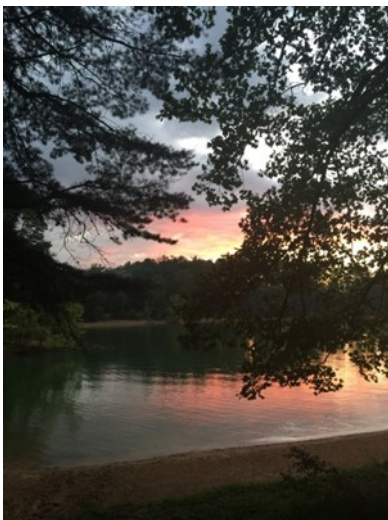

Caving Adventure Thursday August 16, 2018

South Holston Lake Annual Campout

Aug. 16-18, 2018

Here we go again...

It gets a little better every year and this will be no exception! Join us for a fun filled weekend as we merge with the East Tennessee club on beautiful South Holston Lake.

South Holston Lake offers the beauty of the South along with the ability to have some fun in the sun! It's known for its smallmouth bass fishing, unspoiled scenery, waterfront restaurants and water activities.

We have a limited number of spots so do not delay. Cost is \$75 per person and covers most meals and the camping site. We also give the East Tennessee folks money for gas (House boat, jet skis and pontoon boats). Only 5 people per camp site with a maximum of two cars, please consider carpooling.
