# THE ASHEVILLE AVALANCHE

## THE NEWSLETTER OF THE ASHEVILLE SKI CLUB

December 2019

### President's Message

Hello Asheville Ski Club members,

We're excited about the upcoming trips.

-Steamboat Race and Ski Camp coming this Saturday. Margaret Crum is the Trip Leader and she has done a great job selling out this trip. Over 80 inches of snow has fallen in "The Boat"

-White Fish February 2020 with Jan Van Dine, Bill Melton and myself as Trip Leaders.

Note: 8 spots left on this trip.

-Spain March 2020 with Greg Caspers as the Trip Leader.

Note: Still room on this trip.

-Adventure Trip to Croatia in September 2020. Jan Van Dine is the Trip Leader and this trip is sold out.

-Aspen Snowmass February 2021. We already have members signing up for this trip. It will fill up fast, so don't delay in getting your deposit in.

Warren Miller's film "Timeless" was a huge success shown at the Fine Arts Theater in November. Thank you everyone that came out to support the film.

Our December meeting will be at the Twisted Laurel downtown Asheville on Monday, December 2nd 6:30 pm. There'll be about 30 of us in Steamboat the second week, so we are moving the meeting back a week and on Monday. Remember, we're using the December meeting as a fundraiser, so bring something that you want to offer that has value and can be auctioned off. Tickets, ski passes, condo stays, house stays would be some of the things we could auction off. Also at the December meeting, I will introduce Phillip Trees, an avid skier in the area. He will demonstrate the app <https://getcarv.com/> Check out the video here <https://youtu.be/MyvMJXnfCUA> to view the video. Way cool.

In closing, the ski season is looking good early season. Make sure you get out and enjoy the white stuff with friends and family.

Wayne Bailey

President

## Newsletter Editor's Notes

This year Linda and I were the beneficiaries of thorough planning by our 3 daughters who put together a gathering at a rental home on Holston Lake near Abingdon, VA. We were fortunate that the weather held and all 13 people pitched in to make the T-Day extravaganza a success. By now I would imagine that all of us have finally managed to digest the vast amount of food consumed on Thanksgiving day. Now we can look forward to Christmas and skiing and boarding and of course , more skiing.

As Wayne said in his President's comments, the Warren Miller film was a hit and it brought in some potential new members. See the report on later pages.

### Some Other Reminders

- If you are a new member please try to get another member to take your picture at any ASC meeting and email it to me at [tbushar@gmail.com](mailto:tbushar@gmail.com) or to Jim Baker at [james\\_baker100@att.net](mailto:james_baker100@att.net). We try to feature new member names and pictures in the Avalanche so folks can get to know you.
- Find out what's going on throughout the skiing world by visiting the website: <http://skifederation.org> and scroll down to tab called Fed News Beat.

## **Membership Application and Dues Requirement**

Your annual ski club dues should be paid by **November 1**. All present and future members must annually fill out an application form and pay the fee simultaneously by each November monthly meeting. The membership chair will accept membership payments and application forms at any monthly meeting from March through November.

You can apply for membership and/or pay your dues by going to the membership link on the club's website: [ashevilleskiclub.com](http://ashevilleskiclub.com). Then make a choice:

- Print out, complete and mail the membership form with your check, or
- Pay by credit card by selecting the type of membership.

If you are planning to race or participate in an Asheville Ski Club or a Crescent Ski Council trip, you must be a current member. Our club sends part of your membership dues to the Crescent Ski Council which provides some insurance on trips and gives each member access to the many programs and benefits.

## **Medical Form Requirement**

For each trip, all trip participants must fill out a medical form and put it in an envelope with your name on the outside. Seal it, bring it on your trip and give it to your trip leader when you arrive on location. This is solely to help you in case of emergency. If not used, we will either return it to you or destroy it. This form appears on our website: [ashevilleskiclub.com](http://ashevilleskiclub.com) by clicking on Trips then Medical Form.

## **Michael Sandstedt GoFundMe**

**You will remember this request from last month's Avalanche:**

*The Asheville Ski Club family is asking for support for one of our members.*

*Michael Sandstedt along with his family, are members of the Asheville Ski Club. Michael loves skiing as much as we all do. Unfortunately, Michael, who is now 17, has suffered heart problems since birth.*

*Recently a GoFundMe account was set up for Michael that will be used to pay for medical expenses and travel for Michael and his parents.*

*If you wish to contribute click on this link and feel free to share with others that are not a part of our club: <https://www.gofundme.com/f/sandstedt-love>*

**Now, after many responses Erik and Caroline express their gratitude and give this update:**

Thank you so much for the generous contributions to help with Michael's medical expenses. We've been so overwhelmed and didn't know how we could manage yet another major surgery. The kindness and support we've received has helped tremendously. We've made two trips to Boston Children's Hospital where both times the surgery was cancelled the day before it was scheduled. The first time, the medical team realized the stent they were planning to use wasn't the best fit and they wanted to have one custom made. The second time the custom made stent had a defect. Both times the doctors were reviewing plans the day before and realized the problems. It's a high risk procedure so we definitely want everything right; but it was disappointing for Michael to get mentally prepared then have to go back home, still feeling bad. Hopefully the third time will be a charm. He is tentatively scheduled to back in March after everything is double checked.

*Erik and Caroline*

## Warren Miller Film Showing

Warren Miller's movie "Timeless" was shown on Monday, November 11th, at 7:00 pm, at the Fine Arts Theatre. Presented by Asheville Ski Club.

The 70th anniversary film, Warren Miller's "Timeless," presented by Volkswagen featured ski legends like Glen Plake, alongside newcomers Caite Zelif, Jaelin Kauf and Baker Boyd. It also included lots of interesting ski venues.

This is a huge fundraiser for ASC and we had a good turnout. Nice raffle prizes too!

Thanks, Wayne

Host Paul Yeager from Cataloochee Ski Area

Wayne Bailey, Bill Melton and Jan Van Dine will all be on board to help make this trip the best ever. The trip to Whitefish, Montana near the Glacier International Park will be priced well under \$900! Non-skiers, children under 6 and adults over 70 can deduct \$305 for lift tickets.

Our two 4\*\*\*\* hotel picks both have spas, pools, fitness centers and great locations. The Lodge at Whitefish Lake was featured on The Bachelor, it is so romantic. The Firebrand in town is convenient to all that Whitefish has to offer. The Winter Carnival will be taking place when we arrive. Rooms in both hotels have walk-in showers as well as separate soaking tubs. Robes and slippers, mini fridges, coffee makers, hot tubs, fitness centers, spas and restaurants are in each of our luxury hotels.

We have reserved 30 suites at The Lodge at Whitefish Lake, and 20 deluxe rooms at the Firebrand Hotel in town. Both provide a shuttle to each resort or to the slopes.

Get On Board! Come on and join all your friends and skiing buddies for this affordable luxury trip. The link you want is: <http://asoc-whitefish.SAT.Tours>

Whitefish ski resort has also been awarded accolades. Here are a few:

#11 top ski resort in N. America by SKI magazine, 2016

Best in the US--Where to Visit in 2017 by Lonely Planet, 2016

Best Ski Town, USA Today Top 10, Nov. 2016

Best Ski Resorts in the Rockies, Outside Online, 2015

Top 10 Winter Carnivals in the World, National Geographic Traveler

10 Best Small Towns in America, Men's Journal, 2014

Whitefish is 3,000 acres large with 105 groomed trails, plus plenty of powder and tree runs, and four terrain parks.

### **ATTENTION ATTENTION ATTENTION**

**As predicted, airline prices are beginning to fall. United is now offering a roundtrip flight to Whitefish out of Charlotte with just one connection in Denver for \$492. Delta is dropping their prices as well, and we expect them to be even more competitive between now and Thanksgiving.**

**We still have ten spots open for Whitefish. If you haven't yet booked your trip, now is a great time!**

## **Wonderful Whitefish for Non-Skiers (and also Skiers)!**

**Howdy, Amigos!**

**With more than 70 people signed up already for Whitefish, I've noticed a dozen or so non-skiers. I expect we'll have at least 20 non-skiers, and skiers taking off a day or two for a break. With that in mind, I have put together a possible agenda which, of course, is optional. Here is my proposed agenda:**

**Saturday, arrival; go into town to catch the evening's festivities at the Winter Carnival.**

**Sunday, meet at The Firebrand to go witness the Penguin Plunge and the carnival parade. The welcome reception will be this evening in The Lodge.**

**Monday, tour the town to see the shops, galleries and museums, including the Museum of the Plains Indians. Hundreds of artists call Whitefish home. Check out the Hockaday Museum of Art and the Sunti World Art Gallery.**

**Tuesday, let's go snowmobiling! With enough interest, we can get a group discount. Or, if that doesn't appeal to you, go dogsledding, indoor ice-skating, take a ski plane tour, outdoor laser tag, ice fishing behind The Lodge (they provide a heated shanty and all equipment), fat tire snow biking on specially groomed trails, tour one or more of the dozen breweries or work out in the hotel fitness rooms.**

**Wednesday we can go on a sleigh ride. Cookies and hot beverages are served, or you can go all out and have a full meal. Later that evening, have a \$10 burger and beer combo at the Boat Club.**

**Thursday will be an urban scavenger hunt and the winning person or team will receive a bottle of wine. Skiers will have a mountain scavenger hunt so they also have a chance to win a bottle of wine. Enjoy live jazz at the Boat Club later.**

**Friday (**Valentine's Day**) pick up a pair of snowshoes at The Lodge and walk the Candy Cane trail in the nature preserve behind the Lodge, then treat yourself to a hot toddy, lunch, a massage and the hot tub. The Boat Club will be having dinner specials this evening and you can take in a play later at the Alpine Theater Company in the Whitefish Performing Arts Center (beside the Firebrand) or the O'Shaughnessy Cultural Arts Center with its Whitefish Theater Company.**

**I'll bet you had no idea there was so much to do in Whitefish!**

**For skiers, there are 105 marked trails, four terrain parks (one has a 350' half-pipe), lessons and rental equipment, complimentary ski guides, a bordercross (I love those things!) snowcat back country skiing, 3000+ acres with 300+ inches of snowfall, night skiing, and magnificent views from the top of the Glacier Chaser Lift.**

**See you there!            Jan**

## Whitefish Options

We have been approached by a transportation company in Whitefish to provide transportation to various activities.

Transportation to Fernie Ski Resort in Canada roundtrip \$125 per person. Does not include lift ticket or any food or beverages.

Distillery tour is \$95 per person includes tasting and tour.

Glacier National Park is \$85 for two hours in the park. Does not include a \$20 park admission fee, but does include a discussion on the history and ecology of the park.

**However,**

**I have checked the cost of vehicle rentals for a week and they are as follows:**

**\$695 for a 7 seat minivan**

**\$349 for a compact Ford Focus**

**\$491 for a mid-size SUV**

The first 800 miles are free, and you have the vehicle for the entire week. Clearly, this is the most cost effective way to go if you would like to explore outside of Whitefish. The cost can be split among several people.

Cripple Creek received the best reviews for sleigh rides. It is 37 minutes north of Whitefish. With cocoa and cookies, the cost is \$45 per person with a \$125 minimum. Sleigh ride with dinner is \$70 per adult, \$50 for kids 4-10 with a \$200 minimum.

The Montana Brew Bus in Whitefish is \$65 per person 21+ and includes three 50 minute stops at breweries, distilleries, wineries and cideries. You get an initial flight or pint at each stop, snacks, souvenir glass and fun included in the ticket price. No vehicle needed to get there.

Snowmobiling at Swan Mountain has a full day guided tour for \$225 (6 hours), half day for \$125 (3 hours), and a 2 hour quickie tour for \$95 (\$45 for non-driver). The company will provide transportation to and from your hotel for \$100 per person. (Save money by renting a car for the week!)

Cross country skiing and snowshoeing are available at the Lodge at no charge, and equipment rental is close by.

If you choose to go to Fernie, you must have a passport and no DUI convictions. Seriously, they will not let you in the country. The cost of a lift ticket is (in US dollars) about \$93 for a adult, \$74 senior, \$72 youth 13-17, \$20 child 6-12, free for children under 6 years old. It is on the Epic pass, also.

### **CSC Spain & Portugal March 2020 Important Update**

Heads up for Spain trip! Pretrip to Portugal hotel has sold out. I am thinking possible waiting list due to the fact that everything is fully refundable at this point. So get your names in if you want to add that part of the trip!

To date we have 68 on board for Spain and Portugal. August 30th was the signup deadline, but the Tour operator has indicated they may be able to accept forms until December 1 (??).

The Lisbon pretrip is currently sold out. Everyone who has already signed up from our club is secured on these flights. Please feel free to request Lisbon, as Holidaze is working on additional flights. They may be about \$50 more.

Best bet is to get your forms to me ASAP, as I am still worried about some legs selling out. (Greg Caspers 97 Cove Creek Ln., Weaverville, NC. 28787). And remember the \$\$deposit is fully refundable up to 90 days before the trip. And also remember to check your passport expiration dates.

The Council's departure hubs so far are Atlanta and Raleigh, so I am working with Sean at Holidaze to get us flights out of either AVL or GSP to the hubs.

Beunos Tardes, Greg

The Granada Alpujarra boasts stunning scenery including almond trees, vineyards and crops grown on terraces. Time really does seem to have stopped in the area. Towns in the region are distinguished by its Moorish unique style. One of the main towns in the region is Lanjaron, internationally well-known due to its mineral-medicinal waters. **LATE PAYMENT GUIDELINE**

Since trips often involve payments to resorts and tour operators in amounts of thousands of dollars, it is advisable that all participants payment schedules coordinate with the payment due in the Terms and Conditions of this contract. Participant scheduled payments should be scheduled such that all monies to be paid out are deposited into club accounts first. In order to ensure that payments, are made to the club in a timely manner, it is most effective to enforce a late payment fee.

If a participant is late with payment, for any reason, he/she will be charged a late payment fee described below. Failure to make payments according to payment schedules will result in the fees listed below for each deadline date. Failure to make payments according to payment schedules may also result in cancellation of their participation on a trip with forfeiture of amounts paid to cancellation date. He/she has acknowledged receipt of the cancellation and payment schedules for the event when they sign the waiver form. Late payment fees must be advertised with the corresponding event.
