## THE ASHEVILLE AVALANCHE

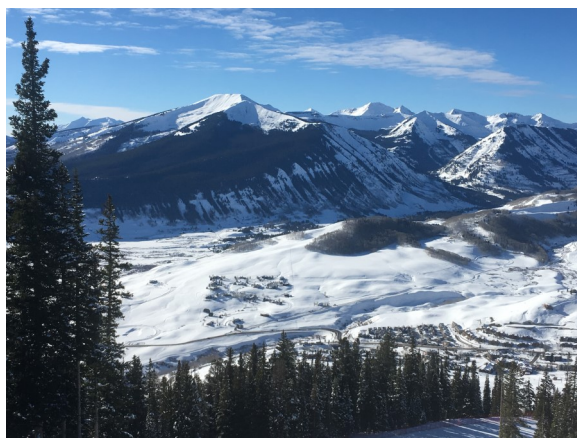

### THE NEWSLETTER OF THE ASHEVILLE SKI CLUB

February 2019

#### President's Message

Hello ASC skiers,

This is our season. Just back from Crested Butte and we had epic conditions. I will argue the fact this place was named Crusty Butte. Bluebird days, powder and loads of fun with the Asheville Ski Club and Crescent skiers celebrating their 50th anniversary. Read my trip report for the details and pictures, lots of pictures.

By the time you read this newsletter, we have a large group in Steamboat being lead by Jeff Kenrick. Wishing you guys and gals a great week and Champagne powder in your travels.

We have trips to Japan lead by the Van Dines and Taos led by Paul Dobson left in our wonderland this winter. Japan is sold out, however, there are more sleep rooms left at Taos. For more information, go to <https://www.ashevillesskiclub.com/taos/>

Our hats off to our racers. The results from the race at Sugar this month put our club in first place, Western Division. Congratulations Asheville Ski Club racers for showing up and putting your best "ski" forward. Bode Miller said; "Sometimes it's all about the win, sometimes it's about the skiing." I say both boss.

In closing, Jason Pierre-Paul said; "Nobody can defeat you when you all are working (skiing) together." The Asheville Ski Club is here to make dreams come true by racing, skiing out west and across the big pond. We are a social club that includes skiing. lol We hope to do more of that in the coming days, weeks and yes, years. We're planning some local socials activities this summer here in Asheville, so stay tuned. If you have some ideas on how we can play together, please let me know.

Yours in Service,

*Wayne Bailey*

## Newsletter Editor's Notes

Yes, as Wayne says, we are having a great year! ULLR could not have done a better job with all the snow out west. And even a few good days right here in Western North Carolina.

We have much to be thankful for. Personally, As I write these comments I am thankful that I went to Steamboat Springs last week. I was accompanied by our middle daughter Amy, who lived in Steamboat for 2-1/2 years after college graduation. She and her husband, whom she met at Steamboat, have two sons who are also fine skiers. Take a look at the detailed report on Steamboat in later pages of the Avalanche.

Tom Bushar  
Avalanche Editor

Now, how about those skiers in our club who just keep winning on the race circuit!! Take a look at the Appalachian and Sugar Mountain Race results. Congratulations to all the winners and thanks to the terrific effort of our race leaders. Their work requires a big commitment.

By the way, please remember that we feature members' gear for sale in the Avalanche each month (see page 8). If you want to sell equipment just email me at [tbushar@gmail.com](mailto:tbushar@gmail.com) and include a description, a picture and price of the gear you want to sell, along with your email address or phone number. If you are looking to buy, just directly contact the person offering the equipment. Another good reason to read the Avalanche!

**HEADS UP: Wolf ridge offers ASC members a season pass for \$200/person - a \$450 savings!!**

### Some Other Reminders

- If you are a new member please try to get another member to take your picture at any ASC meeting and email it to me at [tbushar@gmail.com](mailto:tbushar@gmail.com) or to Jim Baker at [james\\_baker100@att.net](mailto:james_baker100@att.net). We try to feature new member names and pictures in the Avalanche so folks can get to know you.
- Find out what's going on throughout the skiing world by visiting the website: <http://skifederation.org> and scroll down to tab called Fed News Beat.
- If you have something that's "fit to print" in the Avalanche, you can email me directly at [tbushar@gmail.com](mailto:tbushar@gmail.com) with your story and pictures. Your story does not need to be written in final form. I generally edit, elaborate and embellish as necessary to generate interest.

Our Tuesday February 12th meeting will also take place at the Twisted Laurel in downtown Asheville.

## **So, tell us what you want--what you really, really want!**

It's time to sign up for trips for the 2018-19 season and Asheville has got something for everyone. Don't delay. The Japan trip sold out in three days. You let us know that was a trip you wanted and then showed us by signing up right away. Other trips may fill almost as quickly and often it is impossible for us to get more rooms and air at the same low price. Delaying may put you in a different condo or hotel, paying a higher price.

Many other clubs are expanding to include adventure trips, cycling trips, SCUBA trips and more. Our bike and boat trips have sold out within days, which is typical for such trips. Jeff Kenrick is exploring the possibility of running an African safari trip, a trip which has been successfully run by other clubs. Trips to California's wine country are also popular. Some trips may only come around once so just go for it.

After all, it's more fun to travel with friends than to travel alone. Studies have shown that people with friends live longer and healthier lives, and people who travel keep their brains more alert fending off dementia.

So consider a trip a prescription for a healthy, happy life. Traveling is definitely more fun than watching tv at home. Memories are better than having more stuff - seriously, do we really need more storage facilities?

The trips committee is open to suggestions and we're currently planning our trips for 2020. Spain will be a great trip for everyone and we expect to take a large group for that one. We're wide open for other trip ideas.

So, tell us what you want--what you really, really want! Drop an email to any of the following:

## **Crested Butte**

### **January 12-19, 2019**

What an epic week of skiing in Colorado. The following represented Asheville Ski Club at the Crescent Ski Council's 50th Anniversary ski trip. The Asheville Ski Club enjoyed skiing with 13 other clubs and about another 115 Crescent Ski Council members.

Doug and Jean Alden, Marion Aldrich, John Catledge, Jack Champagne, Margaret Crum, Linda Delery, Ray Elish, Ken Fisher, Amanda Foster, Doug Homolka, Julie Levinson-Gabis, Peter Lourekas, Dwight Moore, Lynn Nicholas, Sunny Ruble, Todd and Leesa Sluder, Cheryl Snyder, John Sneed, Nancy Taylor and Adrienne Van Dooren and myself.

We arrived on Saturday to a fresh snow that had just fallen. The first skiers were out on Sunday which was a blue bird day. Sunday night, we gathered for cookies and beverages, announcements and networking. Monday was even better with temperatures in the single digits at night, teens during the day and another blue bird day. We showed up at the Silver Queen Lift at 10 am and picked up our clues for the Poker Run. Five clues were handed out and each skier turned in their clues at the Paradise Warming Hut AND picked up a \$24 meal voucher just for participating. Prize for best hand, first hand and worst hand. Yours truly won the worst hand, nine high and pocketed \$25 to help heal my wounds.

Tuesday was a transition day weather wise and we all enjoyed a wine tasting Après 4-6 pm in the Lower Lobby of The Plaza.

Wednesday was a free ski day and everyone was encouraged to shop Crested Butte.

Thursday was a fresh powder day and participate in a photo contest. We met at the Butte 66 restaurant where we enjoyed our farewell party, enjoyed two free drinks, Chicken Breast, Filet, yummy vegetables, cheesecake and Champagne to toast Crescent's 50th anniversary. Did I mention dancing too with a DJ? Lots of fun.

Friday was our last day of skiing and the most powder I have ever experienced. Some places on International had 3' of the white stuff. Pretty amazing. We finished the night off with "Clean out your refrigerator" night with pizzas from The Secret Stash. Their Veggie and Meat pizza was to die for.

Special thanks to Greg and Susan for putting this trip together. They had to drop out at the last minute and missed the fun.

Sincerely,

Wayne Bailey

## Steamboat Springs

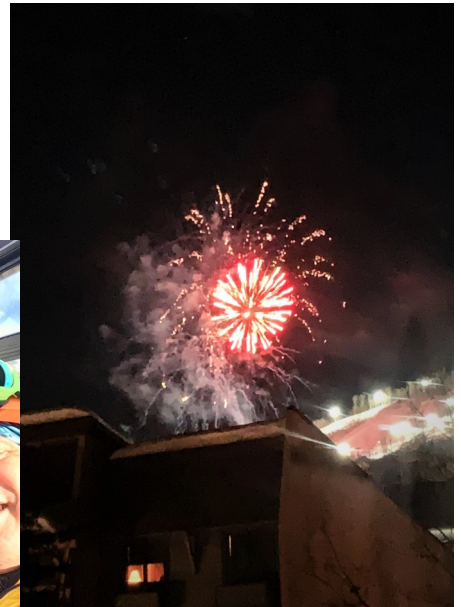

### January 26-February 2, 2019

Lucky us! The week before we departed for Steamboat Springs they were blessed with tons of new powder. We had the benefit of skiing great snow conditions and perfect temperatures, with only one day (Sunday) of flat light. The sun came out on Monday and stayed the rest of the week. While the permanent residents relished the great powder of the previous week, we had nothing to complain about, especially with several groomed blacks and plenty of blue and blue/black runs in great condition.

As always, Jeff and Ilona Kenrick made everyone feel welcome with several social events, including lots of good food and beverages. We enjoyed a great group of people, including some of those that had gone to Banff two years ago. You might remember that some of that group formed a Curling Team. No Curling on this trip but still a reasonable level of craziness. Ben and Laurel Barbour brought their young boys, who seemed to enjoy every minute. They even did some night skiing. On Friday night there were fireworks on the main slope. We were fortunate enough to have a great view from our condo. This capped off a wonderful week.

Our return flight from Hayden to Chicago was overbooked, So the two Amy's took advantage of \$1000 vouchers. Not so bad! See more pictures next page.
