# THE ASHEVILLE AVALANCHE

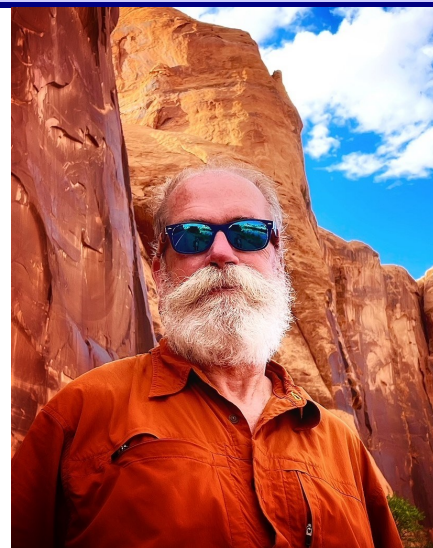

## THE NEWSLETTER OF THE ASHEVILLE SKI & SNOWBOARD CLUB

January 2024

### President's Message

Happy 2024 Skiers and Boarders!

The North Carolina, Virginia, and West Virginia slopes are full-tilt! Cupp Run at Snowshoe opened this weekend. New England is having a great start to Winter 2024 and a few hills out west are 100% open – so wax your boards! Flipside in Maggie Valley just tuned my board, and it looks great (remember to tell them you are a member for a 10% discount on hard goods!). The Bird is a new ski shop next door to Flipside and has high-end skis for rent, demo, and sale.

I recently completed an Avy Rescue course at Bald Mountain near Breckenridge. We buried transceivers, found them, and practiced multi-victim rescues. Those of you interested in a one-day introduction to skiing or boarding in the backcountry can contact Colorado Adventure Guides in Silverthorne:  
<https://www.coloradoadventureguides.com/>.  
They provide all the gear and expert instruction.

Our Breckenridge and Mt. Bachelor trips still have openings! If you would like a club long-sleeve t-shirt or ball cap to wear on any club trips, send me an email, your size, and \$15 for each item and I will get them in the mail.

The club is looking for leaders! If you would like to get more involved, send me an email and we will hook you up. We also need a new newsletter editor. Tom Bushar has served in this capacity for 10 years and is looking to pass this post on to another member - he will get you started – so give me or Tom a shout if you would like to fill his big shoes!

Think Snow,

Scott Hinkle      [jscotthinkle@gmail.com](mailto:jscotthinkle@gmail.com)

## Newsletter Editor's Notes

It sounds like our club is set for a good ski season again this year. However, I probably won't be a big part of it. I am beginning to see that the risk/reward ratio is changing in my 82nd year. I am still an avid hiker so I won't be idle. I can't tell you how much I have enjoyed my position as Avalanche newsletter editor for the past ten years.

I have tried to do my best to support all of you who have served as trip leaders, racing leaders and other officers. I have generally done so with humor poked at myself and anyone else who happens to be within target range. Now we are looking for a member with some computer skills to take over this fun job.

I will be available to train the lucky person on how I do the editing using Microsoft Publisher, although there could be other superior software alternatives. Beyond the software it's just a matter of watching for grammatical or spelling errors in the write-ups sent to me by others.

What each of you members need to do is get on board one of the great trips ahead. Read Susan's trip update and the racing details from Scott Hinkle and Erik Sandstedt.

And, while you are at it, have a great 2024!!

*Tom Bushar*

## Susan's Event Report and Update

If you have not decided on a ski and snowboard trip with ASSC for 2024 please let us know that you are interested in one of our North America destinations. We are quickly approaching deadlines for both the Mount Bachelor and Breckenridge trips. Newsflash! I have one complementary five day lift ticket for the next person who signs up for the Breckenridge trip! We still have places available on both Breckenridge and Mount bachelor trips. This newsletter has all of the information for the trips and the contracts. Please send me an email with your interest so I can save a room for you! [susanmac2@gmail.com](mailto:susanmac2@gmail.com)

There's a reason Breckenridge is often listed as one of the prettiest towns in America. Main Street is the heart of the historic district where over 200 buildings from the mining era are preserved and loved. Today they are [boutiques, coffee shops, restaurants and stores](#).

If you're pining for winter magic, let Bend, Oregon, cast its spell on you.

Whether you're hungry for fresh powder or craving a quiet, après drink around the fire, fill your appetite—and your soul—with a winter vacation in Bend.

The mountains around Bend get about 30 feet of snow per year, while the city receives less than 30 inches. This magnificent contrast sets the stage for your most diverse winter vacation ever.

**LATE PAYMENT GUIDELINE**

Since trips often involve payments to resorts and tour operators in amounts of thousands of dollars, it is advisable that all participants payment schedules coordinate with the payment due in the Terms and Conditions of this contract. Failure to make payments according to payment schedules will result in the fees listed below for each deadline date. Failure to make payments according to payment schedules may also result in cancellation of their participation on a trip with forfeiture of amounts paid to cancellation date. ### Experience It! Geothermal Greenhouses

Growing food in Iceland has historically been a challenge for residents due to the cold climate, unproductive land, and at times, a lack of natural light. Discover how modern technology defies these natural challenges with geothermal greenhouses. At a family-run greenhouse, learn how they are able to harness the natural warmth from the ground's geothermic waters and use it to create a year-round Mediterranean climate. Join a horticultural expert for an insider's look at innovative growing methods used to produce a large variety of tomatoes that are able to thrive in this otherwise challenging environment.

**PLEASE NOTE:**

**Book Now rates valid until Nov 20, 2023, valid on air inclusive packages only.**  
**IDENTIFICATION**

Passports are required for this tour at your expense. Certain countries require a minimum of 6 months passport validity from date of return home. You are strongly urged to contact the appropriate consulate for details. Visit [www.travel.state.gov](http://www.travel.state.gov) for the U.S. State Department for the latest details about passports and visa requirements.

**IMPORTANT:** We recommend that our clients traveling abroad take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

*Effective for travel in 2024, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS visa waiver, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>*

Museum visits and shopping may be affected by the observance of religious or local holidays.

The days and order of sightseeing may change to best utilize your time on tour.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Single accommodations are limited and are available on a first come, first served basis.

On occasion, some activities may not be available due to inclement weather.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Appropriate clothing is critical to fully enjoying your trip. Iceland's weather conditions are ever-changing and require sturdy waterproof shoes and layers of waterproof and windproof clothing.

\*Puffins can usually be viewed mid-May through mid-August.

\*\*During the months of April and October, the Jökulsárlón Glacial Lagoon cruise may not operate due to seasonality. This is reflected in the land price for these time periods.

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Due to flight schedules, a post night may be required in some Icelandair gateway cities (at an additional cost). Please inquire at time of reservation.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, arrival flights should arrive prior to 10:00 a.m.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

**A deposit of \$1,147 per person (which includes cancellation waiver and insurance) is due upon reservation.** Reservations are made on a first come, first served basis. Reservations made after the deposit due date of November 13, 2023 are based upon availability. Final payment due by March 20, 2024. Deposits are refundable up until November 20, 2023.
