THE ASHEVILLE AVALANCHE

THE NEWSLETTER OF THE ASHEVILLE SKI CLUB

July 2018

President's Message

Greetings,

I hope this note finds you well.

Lots of things happening. Our youth are out at Mount Hood this month for summer snow camp. Yeah, that's right. We hope they are having a blast.

We had a last minute opportunity to volunteer for the Half Marathon and 10k Run on June 9th. Special thanks to Bill and Debbie Melton, Margaret Crum, Bob and Jan Van Dine and Sal Ruta for helping. What a great time.

Our regular meeting this month will be at The Wedge, 5 Foundry Street, Asheville, NC 28801 at 6 pm on July 10th. It's directly behind 12 Bones on the river. 12 Bones closes at 6 pm, so come early and have dinner and meet around back afterwards.

Our social will be at Greg and Susan's house the evening of July 21st. Greg will give us additional information on what to wear or money to bring.

In closing, we still have pillows open for all of our ski trips except Japan. It was sold out in three days. Visit our web site to find out what trips we are offering and where to send your deposit. The trips are also featured in the last pages of this edition of the Avalanche.

Hope you're having a great summer !!

Regards,

Wayne Bailey wayne_bailey642@hotmail.com

Newsletter Editor's Notes

As some of you know, we have recently been scheduling a monthly ASC social event in addition to our regular monthly business meeting (which is primarily a social meeting as well). The nice thing about the social is that we don't have to listen to any business meeting presentations, although that omission reduces our nap time.

Tom Bushar,
Asheville Avalanche
Editor

Furthermore, we hold the socials in nice places like the May social at the top of the AC Hotel in downtown Asheville and the June social outdoors at Sierra Nevada Brewery. We urge those of you who missed these events (roughly 290 of our 315 members) to try and join us at the July social, which will be held at Greg and Susan's bucolic estate in the wilds of Weaverville, NC. You won't want to miss the great food, beverages (BYOB) and the writhing bodies dancing to the beat, beat, beat of the tom- toms. Excuse me, I'm getting all worked up just thinking about it!

Also keep in mind that ASC keeps on trucking after the ski season ends. After all, our official name is the Asheville Ski and Outing Club. Read on in this newsletter about the Graveyard Fields hike, the caving adventure and the South Holston Lake campout. In addition there are the weekly bicycle outings with Gary Swanea. So get up and get going. Lots of things to do! While you're at it, read Jan's appeal to let us know your preferred ski trips and other events. We would like to go where you want to go.

Some Other Reminders

- We are looking for someone to be our Social Media Volunteer. Please contact Wayne Bailey or Ron Shulby if you want to put your hat in the ring.
- If you are a new member please try to get another member to take your picture at any ASC meeting and email it to me at tbushar@gmail.com or to Jim Baker at james_baker100@att.net. We try to feature new member names and pictures in the Avalanche so folks can get to know you.
- Find out what's going on throughout the skiing world by visiting the website: <http://skifederation.org> and scroll down to tab called Fed News Beat.
- If you have something that's "fit to print" in the Avalanche, you can email me directly at tbushar@gmail.com with your story and pictures. Your story does not need to be written in final form. I generally edit, elaborate and embellish as necessary to generate interest.

June Meeting held at Post 25

Our Tuesday, June 12th meeting was at Post 25, 2155 Hendersonville Road in Arden.

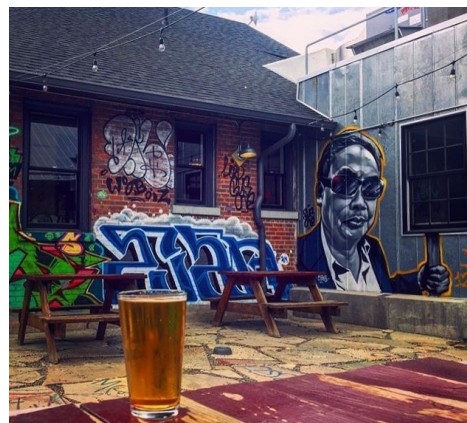

June Social held at Sierra Nevada Brewery

Our special guest was Nicola Roundtree-Williams. Nicola was just named to the US Ski and Snowboard Team and she was in town with her parents for a short visit. We got to visit with Nicola and listen to her stories of racing around the world and her excitement at being part of the world's elite skiers. We wish her the best and I'm sure all of us will be watching the tube for her next race. For a bio, go to <https://usskiandsnowboard.org/athletes/nicola-roundtree-williams> for more information about Nicola.

July Meeting to be held at The Wedge at Foundation

Our July 10th monthly meeting will be at the Wedge at Foundation, 5 Foundry Street, Asheville, NC. We start at 6:00 pm but you might want to come early to get dinner at nearby 12 Bones and enjoy the colorful and interesting graffiti on the surrounding buildings.

So, tell us what you want--what you really, really want!

It's time to sign up for trips for the 2018-19 season and Asheville has got something for everyone. Don't delay. The Japan trip sold out in three days. You let us know that was a trip you wanted and then showed us by signing up right away. Other trips may fill almost as quickly and often it is impossible for us to get more rooms and air at the same low price. Delaying may put you in a different condo or hotel, paying a higher price.

Many other clubs are expanding to include adventure trips, cycling trips, SCUBA trips and more. Our bike and boat trips have sold out within days, which is typical for such trips. Jeff Kenrick is exploring the possibility of running an African safari trip, a trip which has been successfully run by other clubs. Trips to California's wine country are also popular. Some trips may only come around once so just go for it.

After all, it's more fun to travel with friends than to travel alone. Studies have shown that people with friends live longer and healthier lives, and people who travel keep their brains more alert fending off dementia.

So consider a trip a prescription for a healthy, happy life. Traveling is definitely more fun than watching tv at home. Memories are better than having more stuff - seriously, do we really need more storage facilities?

The trips committee is open to suggestions and we're currently planning our trips for 2020. Spain will be a great trip for everyone and we expect to take a large group for that one. We're wide open for other trip ideas.

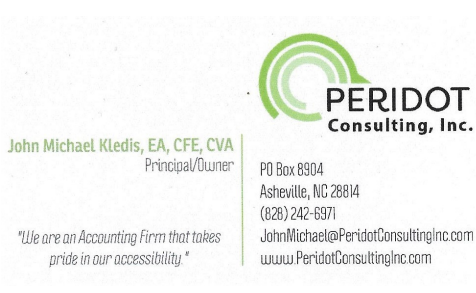

So, tell us what you want--what you really, really want!

Graveyard Fields Hike June 30th

Tom Bushar led a hike on June 30th at the Graveyard Fields area. We had a small but stalwart group of hikers as we turned this event into yet another adventure. It all started well as Tom was joined by Lia Reagan, Peter Lourekas and Gail Schmoll. As we hiked toward the Upper Falls we asked returning hikers if it was a good idea to hike to the very top of the falls. "Yes, it is tough but really worth it." was the reply. We all agreed later that the difficult climb up and down boulders soaked with mud and water was certainly not "worth it." We did find a nice spot further down to enjoy the view of the Upper Falls and we agreed that those who advised us were sadists.

We then hiked over to the Lower Falls, which by that time had drawn lots of visitors - happy youngsters swimming in the cold water. It was a fun scene and a great photo opportunity. All in all we hiked over five miles and enjoyed lots of scintillating conversation during the hike and as we ate lunch at the picnic area not far from the Pisgah Inn.
