THE ASHEVILLE AVALANCHE

THE NEWSLETTER OF THE ASHEVILLE SKI CLUB

October 2018

President's Message

Greetings,

Fall is finally in the air. This means snow is not far away. Some parts of the west have already had some snowfall, so let's hope this is a good sign that we will have an epic winter snow season.

Second Tuesday in October, we will be going to the Governor's Mansion for a covered dish. Tom will announce the details. This is a great time to break bread together and enjoy the fantastic views. If you've never been to the Mansion, come and check it out.

Crescent is having their fall meeting in Gatlinburg. By this time, the leaves will be in full color. This is a great opportunity to network with others, enjoy the town's hospitality, food and the art of people watching. Watch out for the scary guy at Ripley's (lol). See sign up forms.

Mark your calendars for Ullr Fest, November 3rd 6 pm at Greg and Susan's house. As the old story goes, Ullr (pronounced Oool-er) loved traveling all over the land each winter season. Equipped with his giant skis, he sought after the lively game with his trusty bow and welcomed all challengers to a race on the slopes. But he also enjoyed a good party. So as an annual tribute to all his flake-filled glory, Asheville Ski Club pays its respects to all things winter by celebrating his gift of snow each year with this evening gathering. If you would like to help set up, email or call Greg and Susan. I'm sure they can use the help.

Also, plan to see the Warren Miller movie FACE OF WINTER on November 15th from 7-10 pm at Fine Arts Theater. For more information see later page of this newsletter and for video preview go to <https://warrenmiller.com/film-tour>. Ron Shulby is heading this up, so if you know someone that wants to be a sponsor or donate fun door prizes, please let Ron know at ronshulby@gmail.com.

In closing, be sure to renew your membership. The October meeting will be a good time to bring a check and your renewal application.

Think Snow!

Regards,

Wayne Bailey

Newsletter Editor's Notes

So, you might notice more than one person in the picture. Yes, that is wife Linda as we spent a day in Toledo, Toledo, Spain that is, not Toledo Ohio. This was part of our two-week trip with a Tauck Tour that included several cities in Portugal and Spain. It was a wonderful trip and we watched with some trepidation as Hurricane Florence devastated the coastal communities of the Carolinas. Fortunately, Asheville was spared any serious effects.

Tom and Linda
Bushar in Toledo

Earlier this year we had set ourselves up for Global Entry, which really facilitated our return home at Charlotte airport. We were able to avoid the long customs lines and we took a moment to point and laugh at those people who were not as smart as we. Tom however, being process-challenged, tried to carry out the fingerprint check on the wrong glass, which kept kicking him out of the kiosk. Finally, getting it right after four tries, we went on our way home.

Please be sure to take advantage of the events that Asheville Ski Club provides in addition to the ski trips. Unfortunately, Ron Shulby had to cancel the Virginia Creeper Trail event due to lack of interest. Upcoming we have the meeting at the governor's western residence, the sale at Ski Country, the CSC Conference, the ULLRfest party, the NSCF virtual silent auction and the newest Warren Miller film presentation. Not to mention the winter racing schedule. Check out all the details in this edition of the Avalanche!

Some Other Reminders

- We are looking for someone to be our Social Media Volunteer. Please contact Wayne Bailey or Ron Shulby if you want to put your hat in the ring.
- If you are a new member please try to get another member to take your picture at any ASC meeting and email it to me at tbushar@gmail.com or to Jim Baker at james_baker100@att.net. We try to feature new member names and pictures in the Avalanche so folks can get to know you.
- Find out what's going on throughout the skiing world by visiting the website: <http://skifederation.org> and scroll down to tab called Fed News Beat.
- If you have something that's "fit to print" in the Avalanche, you can email me directly at tbushar@gmail.com with your story and pictures. Your story does not need to be written in final form. I generally edit, elaborate and embellish as necessary to generate interest.

October 9th Meeting

Our Tuesday October 9th meeting will be held at the Governor's Western Residence, 45 Patton Mountain Rd, Asheville, NC 28804 .

So, tell us what you want--what you really, really want!

It's time to sign up for trips for the 2018-19 season and Asheville has got something for everyone. Don't delay. The Japan trip sold out in three days. You let us know that was a trip you wanted and then showed us by signing up right away. Other trips may fill almost as quickly and often it is impossible for us to get more rooms and air at the same low price. Delaying may put you in a different condo or hotel, paying a higher price.

Many other clubs are expanding to include adventure trips, cycling trips, SCUBA trips and more. Our bike and boat trips have sold out within days, which is typical for such trips. Jeff Kenrick is exploring the possibility of running an African safari trip, a trip which has been successfully run by other clubs. Trips to California's wine country are also popular. Some trips may only come around once so just go for it.

After all, it's more fun to travel with friends than to travel alone. Studies have shown that people with friends live longer and healthier lives, and people who travel keep their brains more alert fending off dementia.

So consider a trip a prescription for a healthy, happy life. Traveling is definitely more fun than watching tv at home. Memories are better than having more stuff - seriously, do we really need more storage facilities?

The trips committee is open to suggestions and we're currently planning our trips for 2020. Spain will be a great trip for everyone and we expect to take a large group for that one. We're wide open for other trip ideas.

So, tell us what you want--what you really, really want! Drop an email to any of the following:

Message from ULLR

All right, you bunch of barefoot pilgrims! I am Ullr, the Norse god of snow and son of Thor! You probably remember him from the movies. Anyway, I am here to give you a stern warning.

If you want to have any chance of snow this winter you better get off your duff and get over to the ULLRfest event at Greg and Susan's home on November 3rd at 6:00 pm.

DO THIS or incur my wrath in the form of sunny days with balmy temperatures. Now get your tail over there!!!

Wow! It looks like ULLR is serious about this. Better put this one on your calendar. Greg and Susan live at 97 Cove Creek Lane, Weaverville, NC 28787.

Warren Miller's "Face of Winter" presented by Volkswagen

Loving the unadulterated joys of winter is something we all have in common with the late, great Warren Miller—who helped create and capture the magic of skiing. This year, new and veteran athletes alike pay tribute to the man who started it all in Face of Winter, the 69th installment from Warren Miller Entertainment (WME), presented by Volkswagen.

In this 69th chapter, WME visits some of Warren's favorite locations, from Engleberg to Chamonix, British Columbia to Alaska, Chile, Iceland, New Zealand, Washington and more. Watch as world-class athletes such as Anna Segal, Dash Longe, Forrest Jillson, Amie Engerbretson, Simon Hillis, Seth Wescott, Jim Ryan, Jess McMillan, and others carve the faces of remote mountain ranges and pursue the thrills of a life lived in high places.
