THE ASHEVILLE AVALANCHE

THE NEWSLETTER OF THE ASHEVILLE SKI CLUB

September 2023

President's Message

Greetings,

I want to introduce myself as your new club President – I'm Scott Hinkle and am happy to be serving on your Executive Committee. There is a short bio about me on page 3 of the Newsletter, so enough about me and more about the club.

I want to thank Tyler Melton for his hard work as President and we are lucky he is staying on as Past President. Vice President David Lee and I recently met over some beers to map out the next year – we have some great ideas to share with you soon! Our club is looking for two leaders: Treasurer and Social Committee Chair. If you are ready to join the team, just contact me. The Treasurer position will be mentored, so if you can balance your checkbook – we need you! The Social Committee Chair will help us organize monthly happy hours and other fun activities like mountain biking, movie night, rafting, and weekend trips to NC ski areas.

As I write this, leaves are falling at my house at 3100 feet – signaling that Fall 2023 is on its way, with snow hopefully to follow soon. In addition to hitting the NC slopes, we have some spectacular and affordable trips scheduled. October is Ireland and if you have not been to Temple Bar in Dublin you need to sign up, now! Then in December is the Crescent Ski Council Steamboat, CO race/ski/board camp. So, dust off your cowboy hat and wax your boards!

Next up is the Crescent Ski Council Taos, NM trip in mid-January (I've signed up for this one and would love to take some turns with club members). Early March is Mt. Bachelor, OR, and you guessed it, I'll be on this one, too, so get signed up before we run out of space. Lastly, for our 2023- 2024 snow sports trips agenda, is the world-famous Breckenridge in CO at the end of March. Get your application in and we may have a one-day add-on introduction to backcountry organized for you by then.

But wait, there's more! May brings our trip to Iceland – just think hot springs, the world's happiest country, and of course lots of ice.

Bottoms up! Cheers,

Scott Hinkle

Newsletter Editor's Notes

As we finished up August we went from HOT weather to WET weather, which we needed pretty badly after a dry spell. Now that kids are going back to school let's hope for some local COLD weather this ski season...

But, enough about the weather. The big news is that we have a new president. I know you would all like to learn more about Scott Hinkle.

Tom Bushar
Avalanche Editor

Here is a write up of his background, in his own words:

*Hi Club Members, I am Scott Hinkle, your new club President. I am a retired graduate school professor and international mental health worker. I co-led the death certificate process in NYC right after 9/11 for the American Red Cross and have trained trauma counselors in Asia, Africa, and Europe. I directed the clinical mental health counseling residency program at the only hospital in Bhutan for 11 years. I've written several academic books and published my share of journal articles (also called tenure fodder). Now that those days are behind me, it's think snow! ******

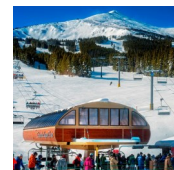

Scott Hinkle
president

On the non-professional side, I taught whitewater kayaking at the Nantahala Outdoor Center for 8 years and pushed a little rubber down the river in my day. I skied for a couple of decades and then crossed over to the dark side, dragging my knuckles on slopes all over North America and Canada. I also am an avid mountain biker, runner, and an Orvis Certified fly-fishing guide. I have stood in knee-deep snow fishing the Blue River in Colorado in the morning – and then got some turns in at Copper Mountain in the afternoon.

Thank you for putting your trust in me! Scott Hinkle

Tom back again. Scott has some serious creds, eh? Don't forget our great upcoming trips.

Susan's Event Report and Update

Please join me at the Crescent Fall Convention. All ASC members are welcome. There are morning meetings for those interested in Racing and Crescent trips. Saturday evening is a costume party that is always a good time. Please send your registration to me and I will submit the registrations for the entire club.

Winter is coming and we have some great ski trips planned for you! The Courmayeur trip is waitlisted but we have space available to our other club destinations.

Breckenridge is a great all-terrain mountain with a quaint ski town. Our accommodations are across the street from the slopes! The price is a bargain for spring skiing.

The Mount Bachelor trip has space available and will be a super fun time with one of our younger trip leaders, Danny Muse. Check it out!!!

Experience It! Geothermal Greenhouses

Growing food in Iceland has historically been a challenge for residents due to the cold climate, unproductive land, and at times, a lack of natural light. Discover how modern technology defies these natural challenges with geothermal greenhouses. At a family-run greenhouse, learn how they are able to harness the natural warmth from the ground's geothermic waters and use it to create a year-round Mediterranean climate. Join a horticultural expert for an insider's look at innovative growing methods used to produce a large variety of tomatoes that are able to thrive in this otherwise challenging environment.

IDENTIFICATION

Passports are required for this tour at your expense. Certain countries require a minimum of 6 months passport validity from date of return home. You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

IMPORTANT: We recommend that our clients traveling abroad take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

Effective for travel in 2024, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS visa waiver, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit <https://www.etiasvisa.com/>

Museum visits and shopping may be affected by the observance of religious or local holidays.

The days and order of sightseeing may change to best utilize your time on tour.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Single accommodations are limited and are available on a first come, first served basis.

On occasion, some activities may not be available due to inclement weather.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Appropriate clothing is critical to fully enjoying your trip. Iceland's weather conditions are ever-changing and require sturdy waterproof shoes and layers of waterproof and windproof clothing.

*Puffins can usually be viewed mid-May through mid-August.

**During the months of April and October, the Jökulsárlón Glacial Lagoon cruise may not operate due to seasonality. This is reflected in the land price for these time periods.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Due to flight schedules, a post night may be required in some Icelandair gateway cities (at an additional cost). Please inquire at time of reservation.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, arrival flights should arrive prior to 10:00 a.m.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

A deposit of \$1,147 per person (which includes cancellation waiver and insurance) is due upon reservation. Reservations are made on a first come, first served basis. Reservations made after the deposit due date of November 13, 2023 are based upon availability. Final payment due by March 20, 2024. Deposits are refundable up until November 20, 2023.
