THE ASHEVILLE AVALANCHE

THE NEWSLETTER OF THE ASHEVILLE SKI CLUB

January 2018

President's Message

Greetings,

January has begun with great ski conditions for Western North Carolina. Check out latest conditions at:

<http://ashevilleskiclub.com/#/resorts>. Contact Ellen Hofler to connect to ASC members via a Yahoo email group to see who is skiing locally.

The January 9th meeting will be at Twisted Laurel, 131 College Street. If learning to dance or learning to do a new dance was one of your New Year's resolutions you are in luck. We will kick our first meeting of the year off with line dancing at 6:30 followed by appetizers provided by the club and a cash bar. Enjoy the music and learn a few new dance moves or help a fellow club member stay in rhythm.

Two spots are now open for the Val Gardena/Venice trip from January 26th – February 6th. This is one of those bucket list items that is a must do for both skiers and non-skiers. Ski the famous Sella Ronda in the Dolomites and a three night extension in Venice during the famous Carnevale. Total package price with round trip air out of Asheville is \$2,754 per person. With the Euro/USD exchange rate quickly changing, this price is locked in and a great value. Contact Jeff Kenrick before January 5th to secure a spot. jpenrick@aol.com Click on this link for more trip details <http://www.ashevilleskiclub.com/#/trips>

The race season kicked off at Appalachian Mountain on December 16th/17th. The Asheville team is in first place in the Crescent Western Division. Way to go – ASC race team! The next race is at Sugar Mountain on January 6/7th. If you do not race, please come out and support the team on a race weekend. Contact Erik Sandstedt on the Sunday before any race to add your name to a list for discounted lift tickets sweski@gmail.com. Doug MacMillan is leading the team with race practice at Wolf Ridge on Monday and Wednesday afternoons/evenings. Wolf is offering a special \$200 season pass to our club members. Please contact Doug at dpmacmillan@earthlink.net for more information.

Recently Doug and I had an opportunity to share Asheville Ski Club information with the staff at WISE Sports Radio in Asheville, AM1310/FM92.3. Tim Grotenhuis, host, recently started a sports series focusing on Mountain Sports Activities that do not include the use of balls. ASC was selected to kick off the series. Broadcast date to be determined. This is a wonderful free promotion for ASC. Thanks to Tim and WISE Sports Radio.

Think snow and get out and enjoy winter activities. *Bill Melton*

Newsletter Editor's Notes

Wow!! It is hard to believe that we were recently complaining about warm weather. Winter has come, and with a vengeance! Icy roads wreaked havoc on New Years Eve. We almost had to cancel the Asheville Symphony Orchestra performance of the Carmina Burana choral cantata, but as the old saying goes, "The show must go on." It did, and it was well received by an enthusiastic but smaller than normal audience at Thomas Wolfe Auditorium. In case you didn't make the show, here's me in a tuxedo. I knew you wouldn't want to miss that.

The great thing about being a member of ASC is that we have lots of opportunities to take advantage of cold snowy weather with the good deals at local ski areas and the terrific ski trips to Europe and the Western US. That's not to mention our superb race team, including fine training for youngsters that love to ski. So now it's time to shake off the post-new-year food and drink hangover and hit the slopes!

Travel Tips & Business Cards for the Avalanche

If you have a travel tip you would like to share with other members send it to me at tbushar@gmail.com

Also remember, we welcome you to share your business card by having it published in the Asheville Avalanche monthly newsletter (see page 9). Just send a copy of your card to me.

Some Other Reminders

- If you are a new member come see Jeff Kenrick, Bill Melton or Tom Bushar at any ASC meeting to have your picture taken. We would like to feature new member names and pictures in the Avalanche so folks can get to know you.
- Find out what's going on throughout the skiing world by visiting the website: <http://skifederation.org> and scroll down to tab called Fed News Beat.
- Check out the ASC Facebook page and give us a "like."
- If you have something that's "fit to print" in the Avalanche, you can email me directly at tbushar@gmail.com with your story and pictures. Your story does not need to be written in final form. I generally edit, elaborate and embellish as necessary to generate interest.

December 12, 2017 meeting

ASC December meeting was held on Tuesday, December 12th at The Twisted Laurel, 130 College Street in downtown Asheville. The meeting featured an auction of members' equipment.

January 9, 2018 meeting

Again we meet at the Twisted Laurel. Be sure to come early to join in the Line Dancing, along with appetizers and a cash bar. This should be fun for everyone! After all, as a friend of mine once said, "Skiing is the ultimate dance - and the mountain always leads."

Steamboat Ski School and Race Camp 2017

34 ASC members (8 new memberships, 2 lapsed renewals) participated in Crescent's annual trip and what an interesting trip it was. November was mild and relatively dry in the Yampa Valley, but Steamboat Ski Area reported 10 inches of fresh powder at mid-mountain Monday, December 4, after an overdue storm glided into the valley on the heels of a brisk wind the night before.

© SSRC / LARRY PIERCE

In the early morning hours Monday, Steamboat Ski Area employed a record 146 snow-making guns and ran 3.1 million gallons of water through them to take advantage of ideal snowmaking conditions. And all of that manmade snow mixed with a blast of natural powder. The locals always look forward to CSC coming into town as we tend to bring the snow!

An unusual inversion of temperatures made snow making impossible from Thunderhead so the mountain could not be connected to open more runs. Considering what Steamboat had to work with, groomers did a good job and lessons went on with a few challenges. Having 1/3 of Heavenly Daze open for the first run of the day was interesting. Jess' Cut Off to Vogue was the 2nd leg of the journey to the base. Racers managed to train on Vogue and Sitz and Bashor opened for the big race on Friday.

Asheville members who won medals were Ron James, a Bronze, Lou James, Silver, Michael Ferrell, Silver and Justin Laing, Gold . For those of you that don't know, Justin is the grandson of Jean and Doug Alden. He still holds the record for the lowest CSC handicap ever! Interesting that the medal winners aren't on the race team and live out of state!

Despite the lack of snow, members had a fantastic week of private sales, parties, dinners, dances, prizes and fun! 14 members won prizes at the Awards Dinner on Friday. The two youngest members on the trip , James Crum 5, and Bentley Laing, 7 had lessons all week and the lack of snow didn't bother them in the least! I think if we all had learned at that early age, we would be "Olympians" as Billy likes to tell us! Our "Golden boy" of the group, Henry Herring (Gail's husband) just didn't get that warm, fuzzy feeling about skiing. He gets an A for effort though!

2018 will be Crescent's 35th Anniversary Ski/Race School. Don't let this year's lack of snow prevent you from coming next year! Of those 19 years I have been coming, I have had powder lessons the entire week on more than one occasion....you just never know what you will get !!

Take a look at more pictures next page. See you next year.

Special Olympics Update

We have the NC winter games for skiing and snowboarding on Jan 7-8 at Appalachian Mountain. On Feb 4-6 the southeast regional winter games will also be held at Appalachian. After the southeast games, skiing for the S.O. will basically be over for the season. However, anyone interested in working with special needs people should give me a call at 864-384-4546. I can put them to work. Next month we will have a report about the athletes at State Games.

Sam Lloyd

Asheville Ski Club Ski Team

The ASC ski team is a group of fun loving mountain families that cherish outdoor activities and friendship. During the winter, we ski. While the mountains of North Carolina may not offer 12,000 foot peaks, epic terrain, or deep powder they do offer opportunities to have a ball on skis.

We have learned that ski racing is one of the best ways to make the most out of 300 vertical feet. Our club racers have also learned the racing is the best way to become a highly skilled skier. ASC formed a ski team so that we could take full advantage of the opportunities in our own back yard. Pictures are from Appalachian Mountain December 2017. See results next pages.

The 3 components of club success

Proximity: Skiing is always a big effort. One of the biggest issues that deter skiers from heading to the hill is drive time. We are developing our program at Wolf Ridge Ski Resort. It is an easy 35 minute drive from Asheville.

Cost: Unfortunately, Skiing can become very expensive very quickly. As a group, our club is able to negotiate lower pricing for slope access, gear, and training. (*pricing details below*)

Safety: Risk of injury is a part of skiing. That risk can, however, be mitigated. Through our program, we will teach the kids to identify the risks on the hill including other skiers and boarders as well as problematic terrain features. We spend much of our time on terrain that is closed to the public or, at least, minimally used. We will also teach them to ski with great control. Control is the most critical element of successful racing.

Oh yeah, and skiing is FUN! While we do enjoy racing, skiing and snowboarding are recreational activities. It can be more or less competitive depending on the kid. To be clear, the adult coaches are not working towards some "result". Our overall goal is to see the kids improve their skills and make progress on snow. Success is measured by enthusiasm, progression of personal skills, formation of new friendships, and big smiles under oversized goggles!

Asheville Ski Club Ski Team

3 levels of participation

ASC Practice Skier:

By joining the Asheville Ski Club kids and adults are eligible to buy a discounted lift ticket at Wolf Ridge for \$200 per individual (regardless of age). The club fee is \$60 for a family. Individual club memberships are also available for less. Practice skiers may attend practice on Monday and Wednesday nights. Practices run from 6:00 until 8:00. Free skiing at Wolf is also available on an unlimited basis. This is "step 1" to getting involved.

Crescent Racer:

Crescent is our sweet spot. Crescent racers are typically enthusiastic, intermediate to expert skiers. We travel to weekend races at other resorts in North Carolina and West Virginia. The competition is friendly and low key. Camaraderie is abundant. The racing format groups similarly skilled skiers into groups of 10 (a flight). Out of each flight, awards are given for the top three finishers.

SARA Racer:

This is our competitive offering. Some of the more experienced racers will attend races sponsored by the Southern Appalachian Racing Association. "SARA" is an affiliate of the U.S. Ski and Snowboard Association. Races are conducted according to national rules and showcase very talented racers. We have several members who participate and do very well.

ONLY 3 steps!

1. **Join ASC**, <http://www.ashevilleskiclub.com/forms/MembForm.pdf>

The costs and mailing address are on the form. (One note: the "racer fee" is only for those who want to participate in Crescent races.)

2. **Buy an ASC Wolf Ridge lift pass:**

Go to the Wolf Ridge Group Sales office on the top floor of the lodge and ask for an *ASC ski team season pass*. They are ONLY \$200 – a bargain that is hard to beat!

3. **Email** dpmacmillan@earthlink.net "I'm in coach!"

ASHEVILLE SKI CLUB

Ski Team

Asheville Ski Club Ski Team

Additional Notes

****Crescent Racers:** In addition to the steps above, Crescent racers must mail in the Crescent Race fee. A \$35 check payable to The Asheville Ski Club (and can be included with the membership check) - the cost is \$35 per racer regardless of age.

Mail check to: *Asheville Ski Club*
P.O. Box 211
Asheville, NC 28802

Once you pay your fee you are eligible for all Crescent races. Simply notify Coach Doug or Coach Erik Sandstedt (sweski@gmail.com) at least one week before a posted race and you will be added to the roster. We will give out race day information once you sign up. Don't worry - we will walk you through everything.

SARA Racers: To participate in SARA you must become a member of the U.S. Ski and Snowboard Association. Register through the website: <https://usskiandsnowboard.org>. You should register as an alpine competitor and associate with the Asheville Ski Club. The site will walk you through the steps. Once you do this, communicate with Coach Doug about participating in each race. This is a fun option for racers with a season or two of racing under their belt. It is not a good option for new racers!

E-mail questions to dpmacmillan@earthlink.net.

We can't wait to see you on the mountain!!!

Racers and Skiers,

It's the time of the year when we all are getting excited about another ski season. Last year we did not have the weather with us, but the atmosphere and spirit throughout the team was amazing. Let's hope the weather god Ullr will be with us and bring us lots snow. We will have great opportunities to train this year at Wolf Ridge , and that will make us an even a stronger team. Our first race will be at Appalachian Ski Mountain on December 16-17. Please pay your club and race dues before the start of the season.

Please spread the word about our existing season and bring in some more racers and skiers. Looking forward to a great 2017/2018 season. Feel free to contact me with any questions or concerns.

Thank you,

Erik Sandstedt, Race Director

Killington-Pico-Okemo

Mt. Snow extension (March 24th-25th) \$170

Crescent Ski Council is offering an affordable opportunity to ski the Northeast. Two great accommodation choices in Killington, VT:

Shuttle served Killington Highridge Condos:

These deluxe accommodations feature stone fireplaces and spacious interiors with great views. From December - March, enjoy complimentary shuttle service to and from the slopes or choose the ski-home trail to get you back (ungroomed, flat terrain, not recommended for snowboarders).

Sports Center

Exclusively for Highridge guests, the sports center features a large indoor pool, 20-person outdoor hot tub, exercise room, game room and sauna. In the summer, enjoy two outdoor clay tennis courts as well.

In-room Amenities

Each condominium unit is uniquely decorated with warm, inviting furnishings and includes:

- Equipment locker for securely storing gear
- Kitchen with full size appliances, essential cooking utensils, coffee filters, garbage bags, dishwashing soap and dish towels
- Wireless Internet
